

# Australian Reptile Park Excursion

Part of our school curriculum is different animal species, their behaviour and habitat. In conjunction with this unit of work we will be having an excursion to the Australian Reptile Park where the children will have their own demonstration of reptilian favourites and cute, cuddly creatures of the Australian bush. This show is a fantastic educational tool that covers a range of environmental issues and is highly recommended as part of the school curriculum.

The excursion will take place on \_\_/\_\_/\_\_. We will be leaving school at \_\_\_\_\_ and ask that parents have their children at school by \_\_\_\_\_.

We will return around \_\_\_\_\_. The children will be ready to be picked up from school at \_\_\_\_\_. The children will need a packed lunch, drink and a snack for the day. They are required to wear school uniform, including a hat, for this excursion.

The excursion will cost \$\_\_\_\_\_ per child.

Please fill in the form below and return it to school with your payment by \_\_/\_\_/\_\_.
