

# Team Building

## at the Australian Reptile Park

Our keepers at The Australian Reptile Park can bring you closer to wildlife than any other zoo! It's a true "hands-on" experience as we connect your team to the wonder of nature and give insight into some of Australia's most fascinating creatures.

The award-winning Australian Reptile Park is the perfect location, just one hour's drive from Sydney and Newcastle, allowing for a chance to get away from the hustle and bustle of the city without having to travel too far!

### INCLUDES:

- Entry to the Australian Reptile Park, including all exhibits and shows
- Team building for 1 hour
- A 30-minute educational presentation
- BBQ lunch cooked by Australian Reptile Park staff
- A group photo experience with an animal (additional prints \$10 ea)
- Minimum 10 people

### ACTIVITIES:

**MR SQUIGGLE** – Put your communication skills to the test as a blindfolded team member touches and describes an animal to a teammate who must draw the animal, just from the descriptions they're given!

**MILLIONAIRE HOT SEAT** - Which team will win reptile trivia and animal charades? How much does your team know about the wonders of wildlife?

**KENNY** - Which team will best match the poo to the animal? A hilarious way to learn about the 'sensitive' side of animals! Of course, the poo is real!!!

**FEAR FACTOR** – Face your fears and feed our cranky Tawny Frog Mouth, retrieve coins out of a worm jar, hold a Burmese python or make friends with an alligator!

## EDUCATIONAL PRESENTATIONS

As a part of your package, you have the opportunity to choose one of two 30-minute presentations. This is a great way to empower you employees with knowledge of current topics that affect the community.

**Choose from the two options below:**

### Tasmanian Devil Conservation

Learn about Australia's largest conservation breeding program "Aussie Ark" run by the Australian Reptile Park. This is an effort to save the Tasmanian devil from extinction by building insurance populations on mainland Australia. Meet Tasmanian devil joeys and see the future of Australian conservation\* (season depending)

### Deadly & Dangerous Venom Program

The Australian Reptile Park is the only provider of raw venom for the production of life-saving anti-venom of Australia's deadliest snakes and the funnel-web spider. See a venomous snake being milked and learn about how to keep yourself safe from venomous snakes in your home. This presentation also includes a first aid demonstration on snake and spider bites.

## ANIMAL ENCOUNTERS

After a fun session of activities with your team, why not experience a once-in-a-lifetime animal encounter! This interactive, hands-on experience is sure to bond your team for life!
